

New Partner for TOPTICA

TOPTICA Appoints AceXon as Exclusive Sales and Service Partner for Singapore

Graefelfing, Germany | 01 July 2024

TOPTICA Photonics AG, a global leader in laser photonics, proudly announces the signing of an exclusive partnership with AceXon Technologies Pte Ltd, a premier sales and technical service provider based in Singapore. This strategic collaboration is set to enhance TOPTICA's market presence across the South East Asia region.

AceXon, renowned for its expertise in laser, optics, electro-optics, and photonics, will serve as the exclusive distributor for TOPTICA's cutting-edge photonics solutions. This partnership aligns with TOPTICA's commitment to delivering high-quality, innovative laser technologies to a broader audience.

"We are excited to partner with AceXon Technologies," said Thomas Renner, President (CSO) of TOPTICA Photonics AG. "Their deep industry knowledge and strong regional presence will be invaluable in driving our growth and providing superior service to our customers."

Lawrence Chua, Managing Director of AceXon Technologies, added, "We are honored to be chosen as TOPTICA's exclusive partner in Singapore. This collaboration represents a significant milestone for us and underscores our dedication to

providing the highest quality photonics solutions and services. We look forward to a successful partnership and to bringing TOPTICA's innovative products to our regional market."

About AceXon

AceXon Technologies Pte Ltd was established in Singapore in 2004 as a sales and technical service provider specializing in the field of lasers, optics, electro-optics and photonics serving several countries in the South East Asia region.
